ARTIST: Joanna Cistulli

Facebook: Joanna Cistulli Art Page

Artist’s message:

There is a great deal of research that shows the benefit of involving animals in the healing process, especially for children. A service dog trained to support a child is a soft, gentle friend that can pick up on their stress signals and emotions, whether putting their head on their lap, curling up at their feet, or just sitting quietly in the corner while their young friend heals.

SPONSOR: Hartford Healthcare
